## How You Can Help Your Planet and Community by Working With Key Honda of Rutland

Tuesday, 06 April, 2021

As Earth Day fast approaches, it has become more important than ever to take care of our planet. That's why we're offering deals on the latest environmentally friendly models, including the 2021 Honda CR-V Hybrid and the 2021 Honda Clarity Plug-In Hybrid.

If you're looking to support your local communities this Earth Day, then make the trip down from Burlington to your Key Honda of Rutland dealership to explore deals on emission-efficient 2021 Honda models.

### Select Your Environmentally Friendly Vehicle

Honda is leaving its mark on the hybrid/plug-in segment by producing models designed to reduce our carbon footprint. If you're ready to transition to a hybrid, you can level up with the 2021 Honda CR-V Hybrid.

This SUV is built with a tough frame and confident cabin to take you to Middlebury and back. You'll be able to enjoy longer road adventures in a vehicle equipped with a fresh façade and a durable engine.

Of course, you can always select a more daring drive in the 2021 Honda Clarity Plug-In Hybrid. Combining a streamlined shape with electric endurance, this sedan complements its SUV relative and gives you another green option to choose from.

Us

...aid the planet, it helps to start small and take care of your immediate community. By  
ting Key Honda of Rutland, you'll be contributing to a central part of the local area.  
After all, much of our staff hails from Vermont cities like Lebanon.

You can feel good knowing that you're making a global impact while supporting a local  
business in the process.

## Support Your Green Investment

We are proud to serve Whitehall and other Vermont communities, which has led us to  
treat each customer as a relationship instead of a one-time purchaser. We make the  
process easy and simple, but we also stick around for when you need us most.

This is what the Key Difference is all about. You can depend on consistent, high-quality  
service from our team, and that's guaranteed throughout your car's lifetime.

## Visit Your Key Honda of Rutland Dealership for Offers on Earth-Focused Vehicles

Are you ready to increase your green thumb and help your community while purchasing  
an energy-efficient vehicle? Then visit your Key Honda of Rutland dealership and explore  
the latest deals on our new inventory today.
